

Château GUIBOT La Fourvieille

2008

✚ Le Point - Le millésime 2008

Déjà repéré l'an passé par un joli 2007. Brigitte et Eric DESTOUET disaient modestement qu'ils commençaient à « maîtriser leur sujet », en effet !

Note : 15

Bien fruité, fraise, framboise, fruits rouges, bouche souple, fruitée, élégante, tanins bien fondus, un peu de boisé moka, mais bon ensemble, très gourmand.

✚ Robert PARKER (mars 2009)

Note : 87-89

Moderate intensity on the nose, perhaps could do with a little more fruit intensity but a nice scent of dark chocolate. Brood and tight on the palate, nice weight and length though linear at the moment. Not bad.

✚ Le Cahier GAULT MILLAU

Note : 14

La robe est sombre et le nez est joliment épicé. La bouche est ample avec une jolie matière, une belle longueur, le tout est assez frais avec, en finale, de jolies notes de mûre.

✚ Periodic review of Bordeaux Wines - Alan Duran

Note : 87 - 89

The saturated ruby purple colored Guibot is a solid effort! It boasts a fragrance of sweet over blueberry and cassis. This is followed by a luscious fruit a medium body as well as delicious ripe and abundant cherry blueberry fruit. It is certainly a wine to seek out due to its charming, potentially outstanding quality. This well rounded and velvety 2008 will be accessible at the outset but keep in mind it will last 7 - 11 years.

✚ Le carnet du maître - Philippe DESROSIERS

Note : 15,5 +

Pourpre, cassis, mûres, framboisé, bonne acidité, bien extrait, un peu asséchant, longueur moyenne, bon.

✚ The Wine doctor - Chris Kissak

Note : 14 - 15 / 20

Hot cherry here on the nose. A nice substance to it on entry though, followed up by a somewhat oily mid palate, but there is some nice grip. Decent tannins, a touch chewy in fact, with good weight, but this lacks excitement and precision.

✚ International Wine Cellar - Ian D'AGATA
